TOUCH₂O® + TOUCHLESS

Touch₂O® with Touchless Technology helps keep germs and mess off your kitchen faucet and provides easy water control 3 ways: simply place your hand near the faucet, tap, or use standard handle activation. Not your average public bathroom motion-activated faucet, Touchless Technology uses capacitive sensing, instead of infrared, to recognize human presence within 4 inches of the surface.

LUMICOAT™ FINISHES

Delta® Lumicoat finishes easily wipe clean without the need for cleaners or chemicals and are guaranteed to resist mineral buildup and hard water stains. The ultra-sleek surface repels liquids, resisting water spots and staying cleaner longer, so your faucet's most commonly touched areas stay beautiful.

H₂OKINETIC® TECHNOLOGY

Most standard shower heads leave water unchanged, missing an opportunity to transform your shower experience and conserve water. Our innovative Delta® H₂Okinetic Technology creates advanced, unique water patterns, efficiently delivering 3x the coverage of a standard shower head* and the feeling of more water and water pressure. Each of our sprays equipped with this technology make every shower feel like a retreat.

SPRAY OPTIONS

H₂OKINETIC POWERDRENCH®

The invigorating, focused spray wakes up your skin for a total body revitalization.

Intense Invigorating Spray vs Standard Shower

Spray creates powerful water patterns, for an energizing experience.

Concentrated and powerful water patterns create a refreshing and invigorating experience. It adds more intensity, immersion and warmth to every single shower.

H₂OKINETIC ULTRASOAK™

The full immersion spray relaxes your body and turns your shower into a serene retreat.

Dense Natural Rainfall Spray vs Standard Shower

Spray creates saturating water patterns, for a relaxing experience.

Saturating water patterns create a peaceful experience by mimicking the sensation of a dense, natural rainfall. The perfect choice to prepare for, or melt away, any kind of day.

KITCHEN

Delta® kitchen collections are full of innovations to make your life easier. Reinvent how you interact with your kitchen with our Glass Rinser, Touch₂O® Technology, MagnaTite® Docking and more. Find your ideal faucet—both style and function—for your everyday routines.

TOUCH₂O®+TOUCHLESS TECHNOLOGY

Easy water control 3 ways: simply place your hand near the faucet, tap, or use standard handle activation.

TOUCH₂O® TECHNOLOGY

Touch it on. Touch it off. Start or stop the flow of water with a simple touch anywhere on the spout, hub or handle.

VOICEIQ™ TECHNOLOGY

Delta® VoiceIQ Technology dispenses exactly the amount of water you need with hands-free voice activation.

TEMPSENSE® INDICATOR

Clearly shows when water is cold, warm or hot with a color-changing display, helping avoid surprises.

GLASS RINSER

Let the high-pressure water jets reach where you can't and thoroughly rinse residue in seconds.

LUMICOAT™ FINISHES

The ultra-sleek surface repels liquids, resisting water spots and staying cleaner longer, so your faucet stays beautiful.

SHIELDSPRAY® TECHNOLOGY

A powerful spray within a protective sphere of water clears away mess with an average of 90% less splatter than a standard spray.

MAGNATITE® DOCKING

A powerful magnet keeps pull-down wands in place—and faucets looking picture perfect.

DIAMOND SEAL® TECHNOLOGY

Using Diamonds, one of the hardest substances on Earth, Delta faucets are longer-lasting, leak-free and less hassle to install.

BATH

Stepping into a bathroom should evoke a sense of calm and relaxation with a design to match. Make the most of your space with beautiful products that feature helpful innovations like Diamond Seal® Technology, Lumicoat™ Finishes and MagnaTite® Docking pull-down spray wands. Just another way we make every moment easier and more beautiful, day after day.

DIAMOND SEAL® TECHNOLOGY

Delta faucets with Diamond Seal® Technology perform like new for life with a patented design which reduces leak points, is less hassle to install and lasts twice as long as the industry standard*.

*Industry standard is based on ASME A112.18.1 of 500,000 cycles.

LUMICOAT™ FINISHES

The ultra-sleek surface repels liquids, resisting water spots and staying cleaner longer, so your faucet and shower fixtures stays beautiful.

TOUCH₂O.XT® TECHNOLOGY

Three convenient ways to operate your bathroom faucet: manually, with a touch or hands-free.

TEMPSENSE® INDICATOR

Clearly shows when water is cold, warm or hot with a color-changing display, helping your family avoid hot and cold temperature surprises.

MAGNATITE® DOCKING

A powerful integrated magnet to snap your faucet spray wand precisely into place and hold it there so it stays docked when not in use.

MULTICHOICE® UNIVERSAL VALVE

The Delta® MultiChoice® Universal Valve gives you the flexibility to upgrade the style and functionality of your shower without altering the plumbing behind the wall. By installing the universal valve first, you have the freedom to decide (or change your mind on) what type of shower you want later.

SHOWER

Make your shower a sanctuary. Whether you prefer the power of H₂Okinetic® Technology or the function of an In2ition® shower head, our impactful innovations and designs will elevate your showering experience and bring lasting change and beauty to your space.

H₂OKINETIC® TECHNOLOGY

H₂Okinetic® Technology creates advanced, unique water patterns, efficiently delivering 3x the coverage of a standard shower head* and the feeling of more water and water pressure.

*Coverage measured in accordance with EPA WaterSense® Specification for shower heads, March 4, 2010.

PROCLEAN™ HAND SHOWER

Cleans shower surfaces at least two times faster than standard sprays, powering off soap scum and shower messes.

IN2ITION® 2-IN-1 SHOWER

Use the integrated shower head and hand shower separately or together. A quick and easy way to upgrade your shower.

SUREDOCK® MAGNETIC

An integrated magnet on the back of the hand shower snaps your hand shower into place and holds it there.

HYDRORAIN® SHOWER

An immersive shower experience with dual shower heads, featuring an integrated raincan shower, without the need to alter plumbing behind the wall.

EMERGE® SHOWER COLUMN

Transforms your shower experience and adds an upscale look to your space without the need for extra plumbing behind the wall.

HYDRACHOICE® SPRAY JETS

With 50° of adjustability in any direction, the pop-out body sprays can be angled to suit everyone, from the tallest in the household to the shortest.

LUXURIOUSLY. PERSONALIZED.

Our range of shower head and hand shower spray patterns provides you with the exact shower experience you're looking for. To identify spray settings on products in the bath and shower sections, look for these descriptions.
