The Dorval™ Bathroom Collection diverges from conventional expectations with regal accents and a powerful design that commands your attention. Inspired by the feminine lines of French architecture and the regal stature of German castles, the Dorval Bath Collection balances grace and power in this modern take on new traditional design.

Touch₂O® Single Hole Lavatory Faucet

Matte Black *	DE556T-BL-DST	\$636.65
---------------	---------------	----------

Widespread Lavatory Faucet

Matte Black *	DE3556-BLMPU-DST	\$631.65
---------------	------------------	----------

Metal drain pop-up assembly included

Touch it on. Touch it off. Or go completely hands-free. Delta® Touch₂O® Technology helps keep your bathroom clean by giving you three ways to operate your faucet: manually with the handle, with a simple touch anywhere on the spout or handle, or by placing your hands near the faucet. The high-tech capacitance sensing capabilities of Touch₂O® faucets allow the flow of water to be activated by breaking the capacitance field anywhere around the device, unlike traditional hands-free infrared sensors which require your hands be in a particular place and are sensitive to lighting conditions and clothing and skin color.

- Operate hands-free by placing your hands near the faucet, with just a touch anywhere on the spout or handle, or manually using the handle. Helps keep your faucet cleaner, because washing the mess off your hands shouldn't involve making a mess of your faucet.
- Automatic water shut-off after two minutes helps conserve water. Over 90% of households operate their Touch₂O® faucets 20 minutes per day or less.
- Batteries last approximately 1 year if using AA batteries or 3 years if using C batteries, based on 20 minutes of usage per day. Optional A/C adapter EP73954 may be ordered separately.

HG1850181	\$88.27
-----------	---------

Showerpipe Basic Set

HG16181181	\$59.15
------------	---------

iBox: Revolutionary Technology

Water-Tight Seals All Around
Rubber seals on the housing and carrier plate create a water-tight installation. Any potential leaks drain into the shower compartment, not into the wall.

Built-In Service Stops
Allows easy servicing of the valve and other components.

Simplified Pipe Flushing
The rough can easily be flushed prior to installing the function block. Hot and cold water remain isolated while passing through the flushing insert.

Trim Includes Function Block
Function block is supplied with trim, not the rough, allowing trim to be ordered later in the process, which may reduce warehousing, theft, and damage due to dirt or frost during the building phase.

Reduced Noise Transfer
The brass function block rests on rubber seals, so pipe vibrations transferred to the wall will be reduced. The trim carrier plate attaches to the housing, not the function block, minimizing noise transfer to the finished wall.

Multiple Mounting Options
Multiple mounting points and depth options allow the rough to be installed with any commonly used mounting system.

180° Rotational Symmetry
Even if the rough is installed upside down, the trim can still be mounted to the rough, avoiding costly repairs.

Extension Set
Even if the rough has been mounted too deeply into the wall, the problem is easily solved with an extension set. The extension set (sold separately) ensures a water-tight seal, keeping the walls free from dampness.

Shallow Extension Set
Limited installation depths are not a problem, thanks to the shallow extension set. Simply installing the set between the tiles and trim allows for installation in walls as shallow as 2 1/4".

Shower Drains

Chrome	FLDRAINPVC-11	\$41.22
Brushed Nickel	FLDRAINPVC-25K	\$54.28

Microtek is a unique water repellent coating on the glass panel interior. Using the latest technology to offer easy maintenance and a hygienic environment, Microtek protects your glass for up to ten years.

FleurcoSEKUR+ Safety Protection (S.R.T.) is a transparent film bonded directly onto the glass panel exterior by means of an adhesive to improve safety by preventing the tempered glass door from shattering into thousands of pieces in the event of an accident.

VENTILATION FANS

WhisperCeiling® Ventilation Fan
White, 13" W x 13" D x 9" H
TSFV-0511VQ1 \$173.96

WhisperCeiling® Ventilation Fan / Light Combination
White, 13" W x 13" D x 9" H
TSFV-0511VQL1 \$253.85

Features:

- Powerful CFM output overcomes 0.375" static pressure to effectively remove moist, polluted air
- Revolutionary ECM motor with SmartFlow™ technology for optimum CFM output
- Pick-A-Flow™ speed selector switch allows you to select your required airflow (50-80-110 CFM)
- Flex-Z Fast bracket provides flexible, fast, and trouble-free installation
- Lighted models incorporate one 10W dimmable LED chip panel with <1W LED night light for warm, long-life energy efficient illumination (night light must be wired separately)
- Fits 4" or 6" diameter ducts
- UL listed for tub/shower enclosure when GFCI protected
- Energy Star® Certified
- Warranty: 6 years ECM Motor, 5 years LED, and 3 years all other parts

Panasonic WhisperControl Preset Countdown/Timer Switch
White, 5-3/4" W x 5-1/8" D x 10-1/2" H
TSFV-WCD01-W \$54.33

Features:

- Countdown Timer preset for 5-15-30-45 or 60 minute intervals
- Adjustable MPH Fan Timer; set the fan to any desired minutes per hour (MPH) for constant controlled ventilation throughout the day
- Manual on/off control for easy and immediate ventilation
- Blue LED indicates fan on
- 24V AC Input/Output
- Commercial Grade 8 Amp Max Load
- Compatible with all Panasonic Fans
- Energy Star® Certified
- White Wall Plate included
- Two-Year limited warranty

Saturn White Freestanding Tub \$1,250.00
67" W x 32" D x 23" H
BVM00501

Features:

- Made of ABS / Acrylic

- White linear integral overflow and bottom drain
- Easy to clean
- IAPMO cUPC® Certified
- 1 Year Limited Warranty

Mercury White Freestanding Tub \$1,229.00
59" W x 31" D x 27" H
BVM00505

Features:

- Made of ABS / Acrylic
- Stainless steel frame
- White linear integral overflow and bottom drain
- Easy to clean
- IAPMO cUPC® Certified
- 1 Year Limited Warranty

Jupiter White Freestanding Tub \$1,276.00
67" W x 32" D x 23" H
BVM00503

Features:

- Made of ABS / Acrylic
- Stainless steel frame
- White linear integral overflow and bottom drain
- Easy to clean
- IAPMO cUPC® Certified
- 1 Year Limited Warranty

PVC Drain for Freestanding Tubs
FLDRAINFC-T-PVC-18 \$140.85

A fast and easy way to install a freestanding tub with less installation time. It is ideal for tight spaces with minimum access and allows easy access for repairs.

Features:

- One piece drain and no metal = no rust
- Union reduced from 2" to 1-1/2"
- Light weight
- Includes test plug and plumbing grease
- The middle cap can be removed to replace the silicone gasket
- The narrow drain base allows for an installation closer to the stud
- The drain is 2-3/4" thick to allow for installations on smaller rafters

Ensemble White Tub \$460.03
60-1/4" x 30-1/8" x 19" (11-1/4 Deep)
Left Drain – TS71171110-0
Right Drain – TS71171120-0

Features:

- Designed with a 16" integral apron
- Durable high-gloss finish provides a smooth, shiny surface that is easy to clean
- Gently sloping for lumbar support
- 2" wainscot allows tile-down installation above bath deck
- Made from solid Vikrell® material for strength, durability, and long lasting beauty
- 10-Year Limited Warranty

Please Note: Due to the design of the tub flange, this tub is not compatible with glass doors.

Zen White Tub, 60" W x 30" D x 22" H \$799.00
Left Drain – BVBWA6030L
Right Drain – BVBWA6030R

Features:

- Fits a standard 5' alcove opening
- Designed with crisp, clean lines and a seamless molded skirt
- Ergonomic design with 25 degree slope for lumbar support
- Durable high gloss bright white finish provides a shiny surface that is easy to clean
- Made of ABS Acrylic that is vacuum formed acrylic reinforced with fiberglass for a scratch, stain and fade resistant finish
- Built-in 1" tile flange on 3 sides
- IAPMO cUPC® Certified
- Drain sold separately
- 5 Year Limited Warranty

Satin Nickel	JA537-PVCHK-SN		\$146.25

Sydney White Tub
60" W x 30" D x 20" H
Left Drain – HYSYD6030ATO-WHI-LH

\$1,828.60

Features:

- MADE IN THE USA
- Fits a standard 5' alcove opening
- Finished in 1/8" thick layer of deep lustrous acrylic
- Extra thick reinforced fiberglass
- Integral E-Z Level platform facilitates installation
- Non-skid bottom
- Linear integral overflow drain
- Designed with sharp, zen lines and a seamless molded skirt
- Rigid PVC piping
- Self draining pump and system
- Cable waste and overflow
- 99 Year Limited Warranty; 9 Year Limited Warranty on Parts

Please Note: Due to the sloped design of the edges on this tub, the tracks for 8mm and 6mm thick glass bypass doors will fit fully on the lip of the tub. The 10mm Gemini door track will overhang slightly as seen in this photo below. The overhang should be on the interior side of the tub.

Appointments

In order to better serve you, we offer professionally-trained Design Consultants. Our consultants understand the design and construction process and will work with you and your contractor to ensure that your project exceeds your expectations.

Our Design Centers are filled with exciting installations and inspirations. You are welcome to come in and browse during regular business hours. However, if you would like the expert advice of a Design Consultant during your selection process, we request that you schedule an appointment. Please call your local Design Center and let them know you are interested in a design consultation. Our Design Consultants will do their best to accommodate you in a timely fashion.

Project Management Checklist:

- ☐ Have a contractor or trade professional confirmed if you are not installing the material yourself.
- ☐ Know your time frame and when you are expecting to have your project completed.
- ☐ Think about your budget, and what is most important to you. Our creative Designers can balance things better if they know your goals and parameters.
- ☐ Confirm any and all structural changes prior to your appointment.
- ☐ Take a look on Houzz, Pinterest, etc and start an idea book for inspiration. A picture speaks a thousand words, so whatever you find that speaks to you will certainly help our Design Consultant guide you during your consultation.
- ☐ Schedule your initial consultation to start the Design Process at Mosaic.
- ☐ Bring house plans and/or pictures and measurements of the areas in which you are working.

Once you and your Design Consultant develop a plan, a formal selection sheet will be completed that will clearly outline your products and installation ideas. It is important to carefully review your choices because some manufacturers are very strict about product returns. In fact, some products cannot be returned. We want to make certain that you are 100% confident and satisfied with your selections.

When applicable, your Design Consultant will review the care and maintenance, CARB compliances, certifications, and warranties involved with the products you have selected. We want you to be pleased with your results for years to come.

After approving your selections, you will be provided with a copy for your records. The sketch drawings and layouts will be kept on file at Mosaic and provided to you at time of purchase. All of this information is available for your contractor and/or builder from our Design Staff. Keep in mind since we are not installers, your contractor is responsible for measurements and quantities to ensure order accuracy.
